Croscombe CofE VA Primary School changes from September 2024

Dear Parents and Carers,

As we plan for September 2024, we have had to make the difficult decision to reduce our school structure down to two classes. Next year, we will continue with a Reception, Year 1 and Year 2 class and then a Year 3, Year 4, Year 5 and Year 6 class. This decision is solely based on enrolment numbers and ensuring the sustainability of our school.

Rest assured, we are committed to maintaining quality teaching, and our teachers and teaching assistants are experienced in handling mixed year groups.

With the two classes, we have been able to maintain the additional classroom support to ensure we have the flexibility to teach differentiated groups and key focused individual support.

Hopefully you will be pleased to hear that myself and the existing school leadership team of Mrs Masey-Sturgess and Mrs Bloom will remain in Croscombe next year to continue to promote progress and stability in the leadership team, as well as enhancing the curriculum to ensure optimal learning experiences for all the pupils.

Class	Teacher/s	Teaching Assistants
Acorns	Mrs Waters	Mrs Malone & Mrs Longman
Chestnuts	Mrs Bloom & Mrs Sturdy	Miss Ham & <i>New Appointment</i>

We are excited to continue the whole school ‘Welly Wednesdays’ enrichment curriculum being developed by Mrs Bloom and the staff, to give the children the unique experience of working together as a whole school with our amazing outdoor facilities – something no other school can offer.

Your support and cooperation is truly appreciated and will undoubtedly contribute to the continued success of our school community.

Chris Partridge
Executive Headteacher
