Acting Head of School: Mrs M Vincent

24 March 2020

### Dear Parents, Carers and Home Tutors!

As we move into this period of home learning we will do all that we can to provide you with enough resources to keep your child's learning moving forwards.

Here is a suggested timetable of activities, adapted, but similar to our normal school timetable. Please do not feel pressured to follow this. We encourage mindfulness and happiness first. Some children need a set routine and others will push against this. Home learning will need to work around you, what you see is best for your children, your family and your work commitments.

**8:00 – 9:00 – Get dressed, sing, talk, plan the day, eat a healthy breakfast.**

**9:00 – 9:30 – Indoor or garden physical activity.**

**9.30-10.30 – Phonics, spellings and writing activities**

Please use the phonics and spelling resources. Teachers and TA's are busy planning more spelling and phonics resources for you.

You could:

- Make these into flash cards
- Practise reading and writing words with these sounds
- Put these words into sentences and write them
- Play splat the sound - lay the sounds out on the table or carpet and as you call the sound or word out children splat them.
- The website [www.phonicsplay.co.uk](http://www.phonicsplay.co.uk) is offering free access to their games and resources with these login details: Username: march20 Password: home
- Look, cover, write
- Speed write.....how many times can you write the word in a minute
- Rainbow writing.....write the word seven times in a rainbow of colours
- Word sort....chop the words up and put the letters in order to build the word
- Choose a writing task

**10.30-11.00 – Break – Physical activity then eat a healthy snack and have a drink**

**11:00 – 12:00 – Maths Activities**

Please complete some of the maths activities in your home learning pack given to you by your teachers or focus on the attached KIRF (Key Instant Recall Facts) objectives:

12:00 – 1:00 – Lunch – eat a healthy lunch and have a drink

1:00 – 1:30 – Physical Activity

1:00 – 1:30 – Read aloud to an adult or quiet reading

1:30 – 3:00 – Enrichment activities – For example: cooking, P.E., gardening, bug hunting or undertake a research project of your choice or suggested by your teacher.

☺ Happy Home Learning! ☺

 Good luck!
