Dear Parents/ Carers,

We would just like to say a big thank you for all the support you have given us, over the last week, in ensuring that your children can access daily live learning with their teachers, an achievement that we can all be proud of. Obviously, each household in our communities faces unique challenges during this period and we will continue to fully support you all in getting your children to their on-line lessons.

Please know that we understand that home learning, whilst important to your child's education and mental wellbeing, can bring with it additional pressures at an already difficult time. All of us can only do our best and that is the only reasonable way to approach these times. Please remember that your well-being and that of your families is always of the highest priority. If you are encountering barriers that prevent your child from engaging in their learning, please inform us and we will seek to remedy any issues. Please continue to stay in touch through the school office and continue to provide your valuable constructive feedback.

Kind Regards

Bill Moore & Mel Vincent  
Co-Head Teachers  
Croscombe and Stoke St Michael Primary Federation
