Dear Parents and Carers,

10.07.20

As you know we have many considerations to take into account with our recovery plans for September. Our priority is to ensure EVERY child has a smooth period of transition back into school and that the children receive some recovery time with their old classes, teachers and year groups.

The plans for our **Little Roots** and **New School Starter** children are as follows:

Week Beginning:	Little Roots Plans:
Monday 7 th September	We are welcoming back the new school starters for some recovery time in Little Roots. Therefore, we can offer places to just the 3 and 4 year olds this week.
Monday 14 th September	We are continuing with just the 3 and 4 year olds this week.
Monday 21 st September	We are continuing with just the 3 and 4 year olds this week.
Monday 28 th September	We are continuing with just the 3 and 4 year olds this week. However, our new Reception children are invited to attend their first taster sessions in Acorns class on: Tuesday 29 th and Thursday 1 st October. These will be from 9:30 – 11:30am. Mrs Vincent will come and collect the children from Little Roots.
Monday 5 th October	We are continuing with just the 3 and 4 year olds this week. However, our new Reception cohorts are invited to attend their next taster sessions in Acorns class on: Tuesday 6 th and Thursday 8 th October. These will be from 9:30 – 11:30am. Mrs Vincent will come and collect the children from Little Roots. We say goodbye to our new school starters at the end of this week.
Monday 12 th October	Little Roots can open up to our 2 and 3 year olds from this week onwards. Our new Reception cohorts begin mornings only in Acorns class, five days a week.

Many thanks for all the hard work you have been doing with your children at home, it truly is appreciated. We are all very much looking forward to getting back to some sort of normality, structure and routine and look forward to seeing all of the 3 and 4 year olds on Monday 7th September and our 2 year old children and families from Monday 12th October. As always, please feel free to contact us if you need any further information.

Best wishes,

Mel Vincent
