17<sup>th</sup> April 2020

Dear Parents/Carers

We hope you have all had a lovely, homely and fun Easter weekend in the glorious sunshine. We feel that the news of further lock down has probably not come as a shock to the schools communities but we would like to confirm we will continue to open the schools to children of critical key workers and those who are vulnerable to the situation that we are all in. We support key workers in keeping their children at home where and when possible in order to keep our numbers at a safe capacity with regards to social distancing.

If the children have any fabulous home learning pieces or projects that they would like to share with us we would love for you to send photos to the school offices for the websites. We will put them onto the website for the children **to be proud and to share with their friends how and what they have been learning about.**

The new home learning documents are being uploaded to the website today ready for you to use on Monday.

Please continue to keep you and your families safe.

Best wishes

Mr W Moore & Mrs M Vincent  
Acting Heads of Croscombe C of E and Stoke St Michael Primary Schools Federation
