

# Community Larder

Can you help your village community?

Can we help you?

The Village Hall Committee have just collected our first **“Good to have on the shelf”** food and **“Great to have in the freezer”** frozen meals, from the Somerset Food Alliance, which we have teamed up with.

These food stocks are available to all residents in the village who may be experiencing some hardship at this time. We hope that by collecting these items we can help ease some pressure and allow you to make other choices, money saved can then be put towards other winter expenses.

**Please tick if you require the items we currently have available.**

We do not need to know who you are, but we need to ensure you get what you need.

Please complete the above and either; drop this flyer into the box at the back of the hall, phone Karen: 01749 841493 or Jacqui 01749 840181 and chat things through or send an image of the above by phone to Teresa 07960 295425.

We don't need a name, just a unique reference to pop on the box which we will leave in the Summer house at the back of the hall for you to collect on Tuesday or Thursday.

Cannot collect? Please do not let this stop you contacting us. Perhaps a family member or neighbour can help. Chat to Karen or Jacqui as I am sure we can sort something out.

## Books & Puzzles

The front porch is still being used for books and puzzles, this is working well and will continue to be available as long as the weather does not affect items. Please continue to drop off books and swop things. If you have a large amount to donate, please get in touch or leave in the summer house at the back.

## Can you donate other things?

Do you have any items, sitting at the back of your cupboard or wardrobe that you have bought but never worn or used, mis-buy items or things no longer needed, which you are able to give? There is a plastic box in the porch of the hall for donations.

**Boxed gifts, unopened make up, new clothing, bedding, chocolates etc.**

Whilst out shopping, are you in a position to buy an extra product which can then be donated?

**Toothpaste, Toiletries, Household cleaning products, Sanitary products, Shampoo, Conditioner, Body Wash, Hair Gel, Hair Mousse, Beauty products, etc!**

## **Donate Funds**

Or would you like to make a financial donation which we will use to buy much needed un-donated products. A gift for Christmas.

Please visit our website [www.stokestmichaelhall.co.uk](http://www.stokestmichaelhall.co.uk) and follow the guidelines under "Community Larder". Have a few coins to spare, loose change in a jar, please pop them in an envelope and drop into the box at the back of the hall. It will be emptied daily.

## **Toys**

We are also happy to receive new and nearly new toys for any age of child as well as wooden toys that can tidied up.

### **Nominate a Neighbour:**

*We will also have available for Christmas a number of frozen meals. Would you like to receive one or do you know a member of our community who would welcome such a gift. Please get in touch so that we can see what we can do, accumulate numbers to ensure everyone will be provided for.*

**Stoke St Michael War Memorial Hall Committee**
